Howland Wood, Esq

Dear Sir;

Under a separate cover I take pleasure in sending you a catalogue of my annual auction sale at the Galleries of Messrs Doll & Richards, 71 Newbury St., Boston. The collection includes several unusually fine specimens of glass and pottery also other very rare antiquities which could not be judged from the description of the catalogue but must be seen to be appreciated.

The exhibition begins on Monday March 6th and the sale will be on the afternoons of Thursday and Friday March 9th and 10th.

Trusting that you will be able to examine the collection and attend the sale, I remain,

Very truly yours,

*Azeez Khayat*
